Capital Planning Committee
October 24, 2022
Virtual Meeting held via Zoom

Voting Members Present: Jason Malinowski (Chair), Jeffrey Hark, Joseph Palmer, Karen Wheeler, Tony Schoener

Voting Members Absent: Lisa Braccio

Ex-officio members Present: Mark Purple and Brian Ballantine (joined at 7:44pm ET)

Call Meeting to Order

At 7:30pm, Mr. Malinowski called the meeting to order.

Approval of Meeting Minutes from October 12, 2022

Not submitted yet

Chair/Member's Reports

Neary Building Committee Update

Mr. Malinowski noted that the Neary Building Committee is on track, but no meetings have been held since the Committee's last meeting

SHOPC – South Union Subcommittee Update

No updates from Mr. Palmer. The next meeting is to be held on October 27th.

Athletic Complex and School Capital Submission Progress Updates

Mr. Malinowski noted that this went before the CPC last week. Mr. Malinowski is working with the School Administration and Regional School Committee and figures will be shared in an upcoming meeting.

Facilities Department Discussion

Mr. Parent joined the meeting at 7:33pm ET.

Request to increase amount on Capital Plan for Cordaville Hall/Senior Center

Mr. Parent's request was to increase the capital request from \$325K to \$400K to Assabet to build the room and make electrical upgrades and siding repairs. Refer to details in referenced document "Facilities - ARPA Request Senior Center."

Mr. Malinowski moved to amend the capital plan for the Senior Center renovation/Cordaville hall from \$325K to \$400K per Mr. Parent's request, with an intended funding source of ARPA; seconded by Ms. Wheeler. No further discussion

The Committee voted 4-0-1 by roll-call vote to approve the motion [Hark, aye; Palmer, abstain; Wheeler, aye; Schoener, aye; Malinowski, aye]

Review of 10-year capital plan submissions

Mr. Parent mentioned that certain items can be pushed back for South Union, as he thinks he can get a few more years out of the roof and boiler. However, the exterior painting needs to happen.

Mr. Parent took questions from the Committee members.

Update on Town House Project

Mr. Parent noted that the Town House project is getting real close going out to bid. He expects to do so in next couple of weeks. If bids come back too high, may need to come to the Committee for some help.

Recreation Department Discussion

The Recreation Commission joined at 7:52pm ET and they called their meeting to order (members present included Jen Hansen, Don Dumont, Kristin LaVault, as well as Recreation Director Tim Davis)

Follow-up from prior meeting on van purchase from revolving account, including potential vote

Mr. Davis noted that the Town's municipal purchasing contact is currently unaware of any electric 15 passenger vans in production and are not available for purchase. Mr. Parent confirmed as well.

Mr. Malinowski motioned that the Committee support \$50K (with a funding source of the Recreation revolving fund) for Recreation Department/Commission purchase of a 15-passenger van; seconded by Mr. Palmer. No further discussion

The Committee voted 5-0 by roll-call vote to approve the motion [Hark, aye; Palmer, aye; Schoener, aye; Wheeler, aye; Malinowski, aye]

Mr. Parent left the meeting at 7:56pm ET.

Review of 10-year capital plan submissions

Tim Davis provided an overview of Lundblad field, where the Commission is looking into installing a dog park on half of the field. The Commission will apply for a grant for the planning aspect, which would fully fund it. There will be a construction aspect of the grant, that funds 90% of hard costs (caps at \$225K), and hard costs would be just north of \$600K. The Commission will likely be looking at CPA funding for the remainder of the project when it comes to construction. There were multiple questions from the Committee members. As a takeaway from the Committee's questions, it was agreed by Mr. Davis that he would run the concept of the dog park by the Superintendent of Schools, given its proximity to the Neary School

With respect to Choate Field, Mr. Davis noted that the Town is in need of turf field to meet demands. This is not completely set from a timeline perspective. There were questions and comments from the Committee members, including safety and environmental concerns expressed by Mr. Hark.

The funding source of the Choate Field project, per Mr. Dumont, would primarily be through the general fund. However, Mr. Dumont described an opportunity to pull in sponsorships and donations.

No vote was taken by the Committee. The Recreation Commission adjourned at 8:24pm ET.

Chair/Member's Reports

Next steps and status update on Hopkinton Water and Cordaville Road

Mr. Malinowski updated the Committee on Ms. Galligan's resignation, effective early January 2023. John Butler has been tasked by the Select Board to do a deeper dive on this topic. The Committee has no official role on this topic at this point.

With respect to Cordaville Road, some trees had been tagged to understand what may be in play for the project. Mr. Purple and Mr. Malinowski both agree that does not make sense to push forward without an employee who has this experience. Mr. Purple will go back to the Select Board and understand where they want to go with this project too.

Review of FY24 Proposed Capital Received and Current Debt Schedule

Mr. Ballantine is working on a bonding schedule for projects already approved. There will be a presentation at the next meeting, but we are probably already oversubscribed at this point.

Review of Capital Project Status

Not covered during this meeting.

Public Comment

Mr. John Butler offered public comment.

Meeting Schedule

The next meeting is scheduled for November 14, 2022

Other business that may properly come before the Committee

None noted.

Adjournment

At 8:35pm ET, Mr. Malinowski motioned to adjourn; Mr. Palmer seconded. No further discussion

The Committee voted 5-0 by roll-call vote to adjourn [Hark, aye; Palmer, aye; Schoener, aye; Wheeler, aye; Malinowski, aye]

Minutes submitted by Jeffrey Hark, Committee Clerk.

Fiscal Year Requested
FY24

Item Description

We are replacing a 2012 International 6 wheeled cab and chassis, with a new cab and chassis (likely Peterbilt). We are transferring the stainless steel sander/dump body from the 2012 truck onto the new truck. We are outfitting with a new radio. The vehicle is mainly used to plow and salt/sand roads. It can be used as a dump truck with appropriate conveyor protection.

Select how your project fits into one or more of the following conditions from the town's Capital Plan

- Imminent threat to the health and safety of citizens/property
- Preservation of operations
- Improvement in the efficiency and effectiveness of service delivery
- Results in lower operations and maintenance costs
- Scheduled replacement (i.e. motor vehicles, roofs, computers)

Item Description

F-350 diesel, utility body, crew cab. This truck serves as primary vehicle for Operations Supervisor/Tree which includes: front line plow vehicle, front line vehicle for emergency weather and infrastructure events, direct support for equipment breakdowns, direct support for Grounds and Water Dept.

This truck being equipped with a utility body, has given us the ability and flexibility to carry diverse tools and supplies, along with supporting all divisions and other town departments as well as being able to operate and tow all equipment to get tasks done independently and efficiently.

Select how your project fits into one or more of the following conditions from the town's Capital Plan

- Preservation of operations
- Improvement in the efficiency and effectiveness of service delivery
- Results in lower operations and maintenance costs
- Scheduled replacement (i.e. motor vehicles, roofs, computers)

TERMS AND CONDITIONS

Deferrals and Cancellations of Sales Orders In all cases where vehicles, products, and labor are purchased against government and public contracts, the terms and conditions of that contract shall prevail and bind MHQ. In cases where contract terms on deferral and/or cancellation are not defined, and for non-contract sales, the following MHQ policy shall prevail.

Deferrals

For this discussion, "deferral" refers to a customer-initiated action to delay the delivery of purchased items* beyond the delivery date confirmed to the customer in writing (Purchase Order confirmation). All deferral requests must be communicated to MHQ in writing.

MHQ, at their sole discretion, reserves the right to accept or reject deferral requests. Once the subject item has started the production / fabrication process, delivery deferrals are not allowed - the item will be built, shipped, and billed upon completion. For deferral requests on items not yet in production, MHQ shall negotiate deferral terms with the customer's purchasing or sourcing authority (not the requisitioner). Consequences of order deferrals may include, but not be limited to, loss of scheduled production timeslot and reallocation of vehicles and/or materials to other active jobs or other customers.

Special Order and Non-Cancellable/Non-Returnable Items (NCNR)

Certain items and material are categorized as "Special Order" or "NCNR." Attempts to cancel shall be handled on an individual basis. Depending on the stage of production of a special-order item, and the suppliers involved, special order items may incur cancellation charges based on supplier purchase liabilities. MHQ shall always act in the interest of our customers to minimize or eliminate cancellation charges whenever possible. Special Order items will be identified as such at the time of quoting and order acceptance to assure an understanding of risk to the customer. NCNR items are not cancellable with our suppliers. MHQ will make a reasonable attempt to minimize the financial impact of cancelling NCNR items, but no assurance is offered that the customer's purchase liability for these item types can be reduced in any way. NCNR items will be identified as such at the time of quoting and order acceptance to assure an understanding of risk to the customer.

Cancellations

For this discussion, "cancellation" refers to a customer-initiated action to cancel a customer committed order** or any part thereof. All cancellation requests must be communicated to MHQ in writing. Cancellations will be accepted, without penalty, until the point in time where material has been ordered to support production of the ordered item(s). Once components or material is ordered against a committed customer order, cancellation charges may apply based on supplier purchase liabilities. MHQ shall always act in the interest of our customers to minimize or eliminate cancellation charges whenever possible. Depending on the type of material/components and the suppliers involved, the range of customer purchase liability can range from complete release of purchase liability, up to and including full liability of the original material cost.

Supplier Failure to Perform

MHQ shall be held harmless in cases where their suppliers fail to source, build, or deliver quoted or ordered products required to satisfy customer committed orders. MHQ shall also be held harmless in cases where a supplier discontinues availability of a product, places a product on allocation, or delivery times extend beyond their normal quoted delivery times such that the subject product becomes unavailable, or experiences extended delivery times. In these cases, MHQ shall offer alternatives, where commercially available, to the customer for consideration as acceptable substitutes.

***Purchased Items**

"Purchased Items" is defined as any item, component, or material required to fulfill a committed customer order.

****Customer Committed Order**

"Customer Committed Order" is defined as any acceptable form of communication that directs MHQ to produce and sell an item to their customer. Acceptable forms of communication are customer Purchase Orders, quotes that are signed and dated by a customer purchasing authority, Letters of Intent or Letters of Commitment that are signed and dated by a customer purchasing authority, or similar instruments that communicate an intent to purchase.

ORDER ACKNOWLEDGEMENT

By signing this document you are agreeing to the above terms and conditions of this order from MHQ, Inc.

[EXTERNAL]

Hi Chief, definitely. The state contract offers additional discounts over 50 units, I think it's 5%

On Mon, Oct 31, 2022 at 12:52 Steven Achilles <sachilles@southboroughma.com> wrote:

Nick.

If the town was to order both fire multi-band radios (28) and Police (24), would we see a price advantage? You quoted us APX nex Gen and APX 8000 and this would be same for both departments.

Please advise.

Capital Planning Committee
Oct 12, 2022
Virtual Meeting held via Zoom

Voting Members present: Jason Malinowski (Chair), Jeffrey Hark, Joseph Palmer, Karen Wheeler, Tony Schoener (taking minutes), Mark Purple, Lisa Braccio (absent)

I. Call Meeting to Order

At 7:33 p.m. Mr. Malinowski called the Capital Planning Committee meeting to order.

II. Approval of Meeting Minutes from Sep 12, 2022

After discussion, Mr Malinowski moved to accept revised minutes; Mr Hark seconded.

The Committee voted 4-0-1 by roll call vote to approve minutes (Wheeler - aye, Hark - aye, Palmer - aye, Schoener - abstain, Malinowski - aye).

III. Chair/Member's Updates

a. Neary Building Committee Update

Building Committee has not met since last Capital Planning Committee meeting.

b. SHOPC – South Union Subcommittee Update

South Union Subcommittee has not met since last Capital Planning Committee meeting.

c. Pavement Management Program Update

Vendor solutions are being demonstrated; a final vendor recommendation has not yet been made; the goal is to have this up and running in time to inform decisions for the next town meeting.

d. DPW Road Maintenance Bid and Process Update

No significant update.

IV. MIS - Request to use ARPA funds for town website

A presentation by Jason Montijo was reviewed and discussed. At this time no MIS capital projects are anticipated in FY2025.

Mr Malinowski moved that ARPA funds be used to upgrade the town website. Mr Palmer seconded.

The committee voted 5-0 by roll call vote to approve this motion (Hark - aye, Palmer - aye, Wheeler - aye, Malinowski - aye, Schoener - aye)

V. MIS - Review of 10 year capital plan and updates to prior year capital plan

Future MIS capital requests will be reviewed at a future meeting, as needed.

VI. Recreation - request to use Recreation Revolving Account to fund van on Capital Plan

Tim Davis presented the need for an additional van for use by the Recreation Department. Discussion ensued on whether or not an electric van would be an option as an alternative to a gas van.

Tim Davis agreed to take a few weeks to research if an electric van is a viable alternative, and will get back to this committee with an update.

Mr Malinowski moved that Capital Planning support the purchase of a second van, with a caveat that the Recreation Committee investigate the possibility of this purchase be for an electric van. Mr Hark seconded this motion.

The committee voted 5-0 by roll call vote to approve (Hark - aye, Palmer - aye, Wheeler - aye, Malinowski - aye, Schoener - aye)

VII. Review of FY24 Capital Received and Current Debt Schedule

Complete schedule not yet available. Additional review and discussion will occur at future meetings, as updated information becomes available.

VIII. Review of Capital Project Status

Town House - project has not yet gone out for bid.

Cordaville Hall - bids have come back higher than expected. Select Board is reviewing options for next steps.

Regional High School Athletic Stadium - potential significant project being considered, with more details to be available in the future.

Discussion occurred on the potential benefit of establishing a Capital Stabilization plan.

IX. Public Comment

There were no public comments.

X. Meeting Schedule

Agreed to next meet on Oct 24 and Nov 14.

XI. Other business that may properly come before the Committee

None.

XII. Adjournment

Mr Malinowski moved that the meeting be adjourned; Mr Hark seconded.

Meeting adjourned at 8:46 pm, after unanimous roll call vote (Hark - aye, Palmer - aye, Schoener - aye, Malinowski - aye, Wheeler - aye).

Documents Referenced During Meeting:

1. Draft Meeting Minutes from 9/12/2022
2. IT Website Request Form
3. Website email from MTC
4. Recreation Van capital submission
5. Recreation Van submission
6. Recreation Vehicle quote

Town of Southborough, Massachusetts

Capital Planning Committee

Monday November 14th, 2022 7:30 PM

Virtual Zoom Meeting

May be watched or may participate in the meeting remotely with the meeting link at: <https://www.southboroughtown.com/remotemeetings>.

Pursuant to Chapter 20 of the Acts of 2021, An Act Relative to Extending Certain COVID-19 Measures Adopted During the State of Emergency, signed into law on June 16, 2021, this meeting will be conducted via remote participation. No in-person attendance by members of the public will be permitted.

Agenda (all items may have one or more votes taken to the extent action is required):

- I. Call Meeting to Order
- II. Approval of Meeting Minutes from October 12, 2022 and October 24, 2022
- III. Chair/Member's Reports
 - a. Neary Building Committee Update
 - b. SHOPC – South Union Subcommittee Update
- IV. Police Department Capital Discussion - Review of 10-year capital plan submissions
- V. DPW – Review of 10-year capital plan submissions
- VI. Review of FY24 Proposed Capital Received and Current Debt Schedule
- VII. Discussion of next steps and recommendations for Annual Town Meeting, including discussion of budget calendar
- VIII. Public Comment
- IX. Meeting Schedule
- X. Other business that may properly come before the Committee
- XI. Adjournment

Jason W. Malinowski, Chair
