Meeting called to order

Minutes approved from June meeting

Old Business

1. Nothing new on irrigation
2. Cart path: There has been one bid
3. Funding has been approved.
4. Bittersweet and poison ivy growing up the fences. New England Golf management committee states that the DPW should be responsible for mowing along the road outside of the fence is town property
5. Discussion about wayward golfballs
 - a. Neighbors have had broken windows and damage to cars from golf balls.
 - b. Golfer is supposed to be responsible for damage

Suggestions:

1. Fencing behind third green up to the fourth tee. Black chain link fencing 12 feet high.
2. Sign in carts that says to be careful of property, signs saying distance to the hole

New Business

1. Tee refurbishment project
2. Jen will meet to prioritize the projects.
3. Fence, tree and signs to mitigate the wayward balls
4. Management company will get quotes on the trees.

We are listed as a butterfly sanctuary.

Mysouthborough blog doesn't mention New England Golf. Recreation month: need to give credit to New England Golf. Maintenance building needs to be replaced. Assabet students built club house. Is there a project list with Assabet?

Next meeting Tuesday August 12th 9:00 at the Public Safety Training Room & Zoom
