## **Help SOLF Honor Linda Hubley**

### **What?**

The Trustees of SOLF are issuing a challenge. We will match donations to the newly established Linda Hubley Scholarship Fund up to a total of \$1000.

### **How?**

Donate on line at [www.solf.org](http://www.solf.org) or mail a check payable to the Linda Hubley Scholarship Fund to: SOLF, PO Box 345, Southborough, MA 01772. We will see that it gets to the town scholarship committee, but need to have it donated through SOLF for the match.

### **Why?**

SOLF recognized Linda's lifelong devotion to environmental protection by awarding her the Elaine Beals Conservation Award in 2010. Throughout her professional career,

Linda worked for environmental causes. She worked for the Massachusetts Department of Environmental Management at Walden Pond State Reservation and at Hopkinton State Park. Later she was employed by the USDA in Worcester working on the eradication of the Asian Longhorn Beetle. She was a champion of local environmental causes. We want to continue honoring her legacy by supporting the newly established Linda Hubley Scholarship Fund. You can read about the scholarship and Linda at <https://www.mysouthborough.com/2022/03/04/town-announces-linda-hubley-memorial-scholarship/>
