

## **Guided Nature Walk at Town Forest**

*Sunday, April 24, 1:00 pm*

Please join the Southborough Stewardship and Trails Committee for a family-friendly guided nature walk.

Get to know the trails, learn about native wildlife, observe and identify plants, trees, and signs of animals.

The walk will be led by Dan Harvey, a naturalist and environmental and outdoor educator.

We will also reveal the new trail names that many of you voted on earlier this year.

[Click here](#) for more details and to register. Sponsored by the Stewardship and Trails Committees.
