ALS GOLF WEEKEND AT SOUTHBOROUGH GOLF CLUB

Join us at Southborough Golf Club during the October 7-9th holiday weekend for our annual GOLF FORE ALS event where half of all greens fees will be donated to ALS ONE to support their ALS research and care! This annual event is in memory of Southborough's hometown ALS heroes, John Wilson and Brian Shifrin, who both lost their courageous battles with ALS in 2019. These two beloved members were committed to the acquisition, upgrades, and success of the golf course and did so very much for the entire Southborough community. Please call the pro shop at 508-460-0946 for tee times or book online here: <https://shorturl.at/pHRX5>. Southborough Golf Club is located at: 32 Cordaville Rd, Southborough.

Project Updates

Picture of St. Mark's Street Construction, Town of Southborough 2023

St. Mark's Street construction has begun and the curbing has started to be laid. Soon, you will see a new road and sidewalks. The crew is working quickly and hopes to be done with this portion of the project by the end of the month.

Access to the Town House with St. Mark's construction and its own construction is limited but available. Please enter and exit the Town House parking lot from the back of Pilgrim Church. The Town House is open during normal business hours during all construction.

The Senior Center construction has made great headway! The front siding has been removed and the foundation is being poured for the new addition. Assabet Valley students and the Town Facilities department have been collaborating swimmingly and hope to have a brand new space for seniors by spring.

Paving on Parkerville Road should be complete by the end of the week of 9/25. Thank you for your patience as this much needed maintenance commenced.
