Hi Mark:

Thank you for the update regarding Southborough Select Board's vote to move forward with Hopkinton's request for an indirect water connection to MWRA through Southborough. Hopkinton looks forward to reviewing and working with Southborough on the terms of the IMA as soon as a draft is ready.

Good morning.

On Tuesday night, the Select Board voted to move forward with Hopkinton's request for an indirect water connection to MWRA through Southborough. While not an approval, the Board did agree that Southborough should prepare a proposal identifying key terms that the Town feels are important to be addressed should we engage in discussions surrounding an IMA. The Board said that it is committed to trying to find a path forward to helping a neighboring community provide this basic service to its residents. We hope to have something we can share in the next month or so.

Talk soon. Thanks.
