Dear Finance Committee Chair:

As a member of the Association of Town Finance Committees (ATFC), your committee receives many benefits.

These include free copies of the Finance Committee Handbook (on CD), currently being updated and available in October. Committee members register at the reduced member rate for the Annual Meeting, being held this year on October 18 at the Tri-County Regional High School in Franklin. There will be 7 educational workshops and 2 keynote speakers covering a variety of financial topics during this full-day conference. Watch for the agenda in August.

Members receive a quarterly newsletter, with budget and legislative information from Beacon Hill. Your dues also support the association having two representatives serve on the Massachusetts Municipal Association's Board of Directors where they help develop local policy.

Your fiscal year 2015 dues invoice is enclosed. We are pleased that we did not raise the dues this fiscal year. We hope this allows you to continue your support of the ATFC.

If you have any questions, please contact Denise Baker at 800-882-1498 ext.105. or dbaker@mma.org.

Please note: We've sent a copy of this dues notice to the town accountant's office in an effort to streamline the process.

Sincerely,

The Association of Town Finance Committees Governing Board
