Department Name

Facilities Department

Department Head Name

John Parent

Department Head Title

Director of Facilities

Fiscal Year Requested

FY23

Project Description

Exterior Repairs on and Repainting of Cordaville Hall - Funding of this project would allow for necessary repairs to the various elements that make up the exterior building envelope of Cordaville Hall, as well as the repainting of the main building structure of Cordaville Hall.

Select how your project fits into one or more of the following conditions from the town's Capital Plan

- Imminent threat to the health and safety of citizens/property
- Improvement to infrastructure

Why is the project being requested?

Funding for this project is being requested because many of the elements that make up the exterior building envelope of Cordaville Hall have either reached the end of their useful lifespan or are in need of repair/replacement. The paint on the main building box is basically in a state of failure and this repair should therefore be considered critical. The proposed work will help to protect and save the building from excessive damage from the elements, while also improving the buildings overall appearance.

Estimated Useful Life (in years)

15

Amount Requested

25,000

Expected Funding Source

General Fund

What alternate funding sources have you pursued to offset any portion of the amount requested?

None

Describe and quantify any revenue that this project may create for the town or alternatively operating costs that may be reduced (if applicable)

None

Estimated Annual Maintenance Cost of Project

0

Provide details of the expected timeline for implementation of this project, upon funding

Completed in FY23

Please provide any supporting documentation that supports the amount requested including any available vendor quotes.
